Mold Book

This booklet contains all of our non-holiday molds. These are molds for stock items as well as special orders. Minimum quantity of non-stock and white chocolate molds is 12. Lead time for milk and dark chocolate is one week (delivery to Garden City may be slightly longer depending on the day ordered). Lead time for white chocolate is two weeks. Pop molds can be made off the stick and sealed in a bag or tied with organza ribbon (+\$.10 extra per item) or a twist tie bow (+\$.20 per item). Stock item pops that are made off the stick are special order. Some of the mold pictures show colored items, we do not do color, milk, dark or white only. Our molds come from www.choklitmolds.com or www.lifeofthepartymolds.com. If you don't see what you are looking for in this booklet feel free to look on either of these websites. We can order the molds if you are looking for a quantity of 25 or more. All custom orders require a 50% non-refundable deposit.

Allergy warning: all molds are made in a facility that also processes nuts and tree nuts. Dark chocolate does not contain milk but contains butterfat which is considered dairy. All molded chocolate is gluten free and egg free.
